REFERENCE:

Please be advised that this office in reviewing the Municipal Traffic Ordinances have found two serious errors in Ordinance G-70, Amendment to the Traffic Code signed on the 15th day of November, 1961.

The Amendment G-70 to the Traffic Code was done at the request of the Board of Park Commissioners at that time with the purpose of incorporating into the City Traffic Code similar legislation to cover Park Drives and problems within the Parks. As a result of the Amendment there were certain omissions which have caused an improper Section to be incorporated.

It is hereby recommended that the Board of Public Safety authorize the following emergency regulations and that these be forwarded to the City Attorney as Amendment to the Traffic Code at the earliest possible date.

Article XII, Section 110, Standing or Parking close to curb.

No person shall stand or park a vehicle in addition to the foregoing except on an authorized area for the purpose of parking or standing of vehicles in any place or park provided that in no event shall any part or portion of the vehicle, motor or bicycles be permitted to extend over the outer edge of any curb or roadway.
